Re: March For Our Lives Foundation

Dear Friends:

Thank you for your contribution of **\$10,000.00**, received on **4/16/2019**, to support our student-led movement to end gun violence. We deeply appreciate your support and your trust.

No goods or services were provided in exchange for this contribution. March For Our Lives Foundation is a tax-exempt organization described in Section 501(c)(3) of the Internal Revenue Code. The organization's EIN is 83-0885411.

The Foundation's mission is to support the educational and civic engagement initiatives led by the students who founded the March For Our Lives movement, and to support their efforts to engage and empower young people across America. In furtherance of our mission, the Foundation makes grants to support other nonprofit organizations working to end gun violence and empower young people—including by supporting the charitable, educational and nonpartisan voter registration programs of our affiliated 501(c)(4) organization, March for Our Lives Action Fund.

Sincerely,
