

Tech meets Aesthetic

Leading-edge Power with 11th Gen Intel CPU

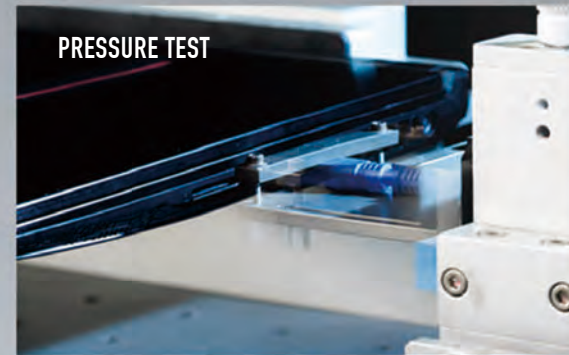

ABOUT MSI

MSI is a world leader in gaming, content creation and AIoT solutions. Bolstered by its cutting-edge R&D capabilities and customer-driven innovation, MSI has a wide-ranging global presence spanning over 120 countries. Its comprehensive lineup of laptops, graphics cards, monitors, motherboards, desktops, peripherals, servers, IPCs, robotic appliances, and vehicle infotainment and telematics systems are globally acclaimed. Committed to advancing user experiences through the finest product quality, intuitive user interface and design aesthetics, MSI is a leading brand that shapes the future of technology.

MASTERPIECE IN PROCESS

MSI has devoted countless resources into research and development not only to pursue innovative features, but also to ensure ultimate stability. Over 1900 strict tests are run throughout the production process as a way to provide gamers the best gaming experience.

PRESSURE TEST

CONNECTION PORT TEST

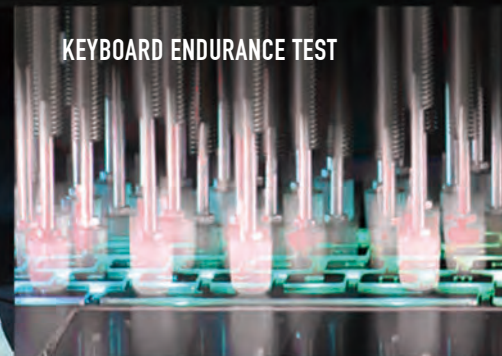

BURN-IN TEST

STEEL BALL TEST

KEYBOARD ENDURANCE TEST

MOST RELIABLE LAPTOP BRAND

MSI laptops are built with state-of-the-art technology that promises quality and performance that has been continuously well-recognized by media and gamers around the world. With a full range of selection, from portable powerhouses to high-end desktop replacements, every user can expect to have their needs met.

NO.1 IN GAMING

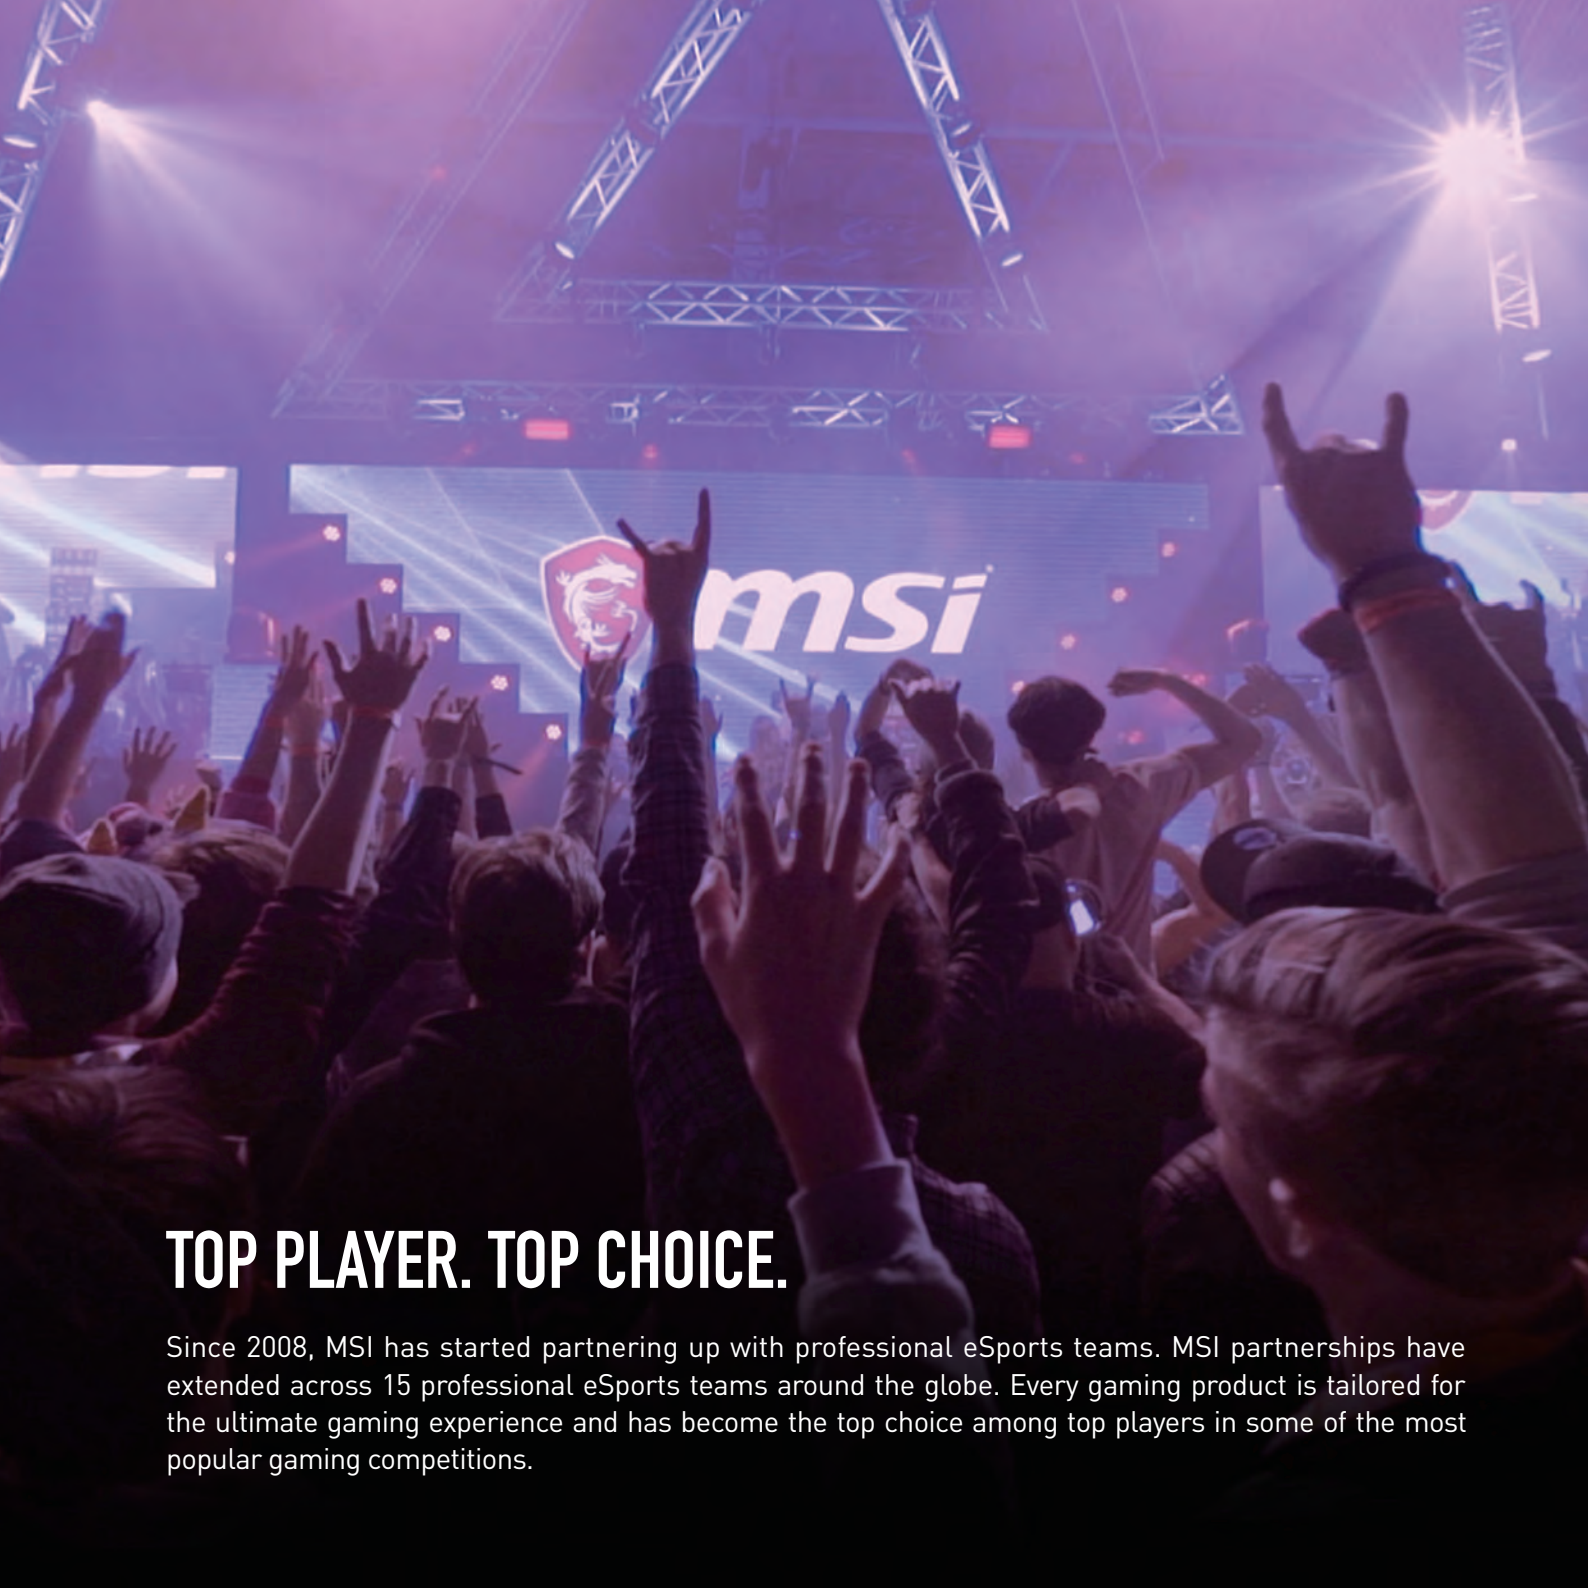

“With a smaller user base, MSI doesn't always make our survey's minimum count. But when it does, MSI scores incredibly well. This is MSI's third Readers' Choice award for laptops since back-to-back wins in 2016 and 2017, with scores that rival Apple.” – **Readers' Choice**

“Micro-Star International (MSI) shipped a total of 1.2 million gaming notebooks in 2018, fending off the competitions from Asustek Computer with devices from its gaming sub-brands to become the largest supplier in the gaming notebook market in terms of shipments and profitability.” – **DIGITIMES**

“MSI laptops offer some of the best displays in the business. The company also delivers top audio quality, and scored very well in our reviews category. If you're into gaming, this is one brand to watch.” – **LAPTOP Magazine**

TOP PLAYER. TOP CHOICE.

Since 2008, MSI has started partnering up with professional eSports teams. MSI partnerships have extended across 15 professional eSports teams around the globe. Every gaming product is tailored for the ultimate gaming experience and has become the top choice among top players in some of the most popular gaming competitions.

EXTENSION OF INSPIRATION BEST FOR DESIGNERS

MSI has devoted to designer community, collaborating with animators, film makers, visual artists, photographers, and much more. With joint effort aiming to aid and inspire each other, MSI continues to be the beloved brand for designers worldwide.

Held by the world-leading PC brand, MSI, the MSI Creator Awards honors the most creative and outstanding creators from all around the world. The award consists of three categories: Graphic Design, 3D Creation and Film. We received thousands of amazing works of art in the first year and determined to continue the celebration for creators.

This year, the theme of the competition is "Tech meets Aesthetic". From the Renaissance, Scientific Revolution and the Enlightenment, these periods of time are all built upon craftsmanship of humanistic aesthetics and science. MSI takes "Technology meets Aesthetic" as a belief, and aims to inspire users across all fields. Judges looked for artworks that can demonstrate the concept, convey vital insight, and display exceptional skill in each category.

Color Accuracy Calibration

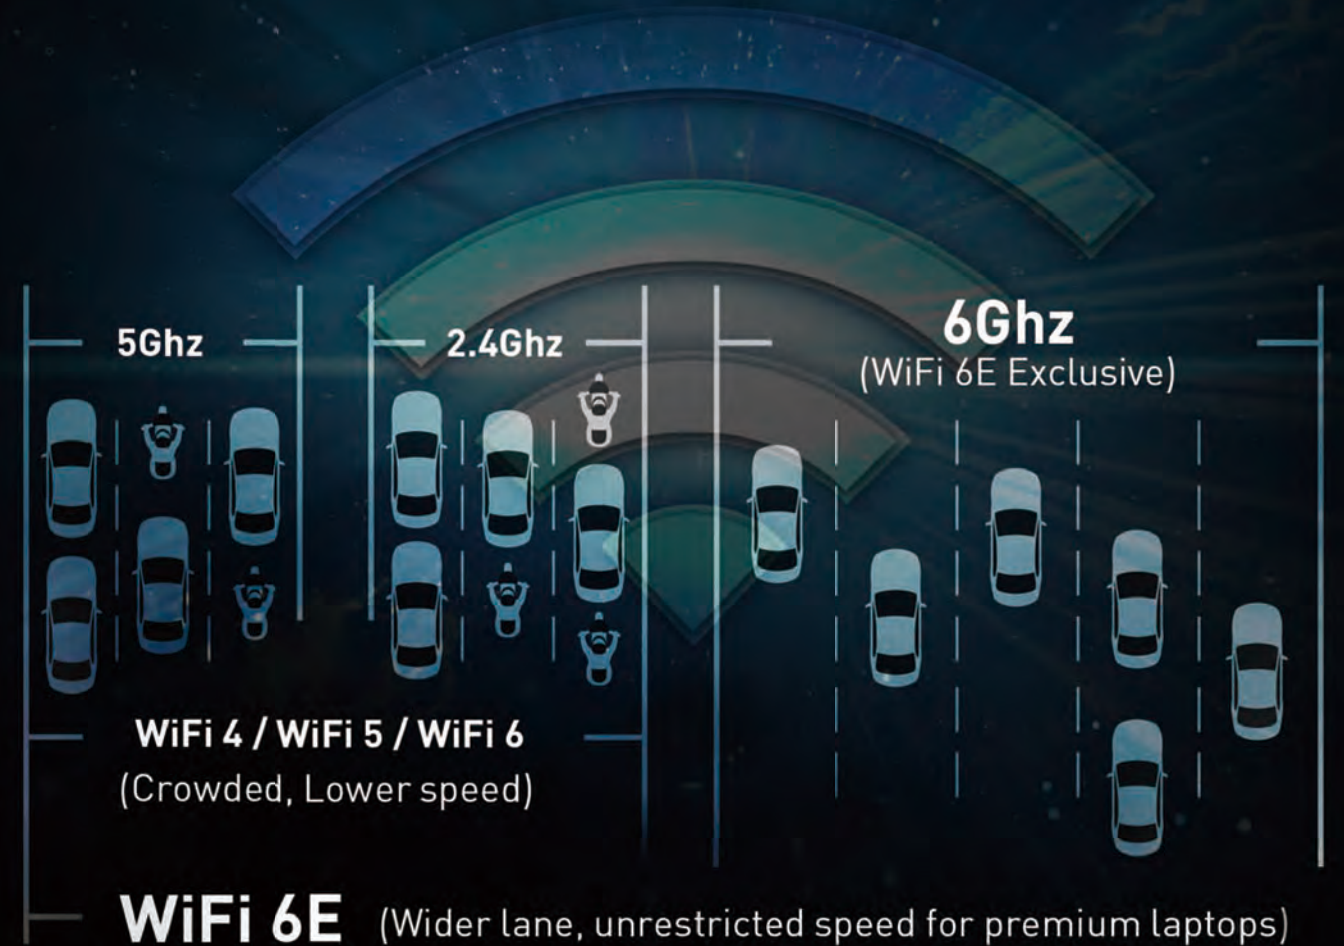

UNSURPASSED CLARITY

Compared with Full HD, it has four times the number of pixels, and reach the standard of 100% AdobeRGB range (typical). Enjoy the 4K gaming experience with abundant color gamut and more vivid colors and details!

STREAMING WITH NO INTERFERENCE

The latest Intel Wi-Fi 6E delivers stunning speed while keeps the network smooth and stable, taking advantage of dedicated 6GHz band with no interference.

STREAMING ⇄

FHD CAMERA

MSI leads the market to provide the most crystal clear and sharp 1080p web camera. Now there is no need to connect an external webcam, just boldly stream your gameplay with the build-in one.

AUDIO 🎵

Sound by
DYNAUDIO

TUNED TO PERFECTION EXPERIENCE THE SUPERIOR SOUND WITH DUO WAVE SPEAKER

Feel the power of sound and experience a whole new level of audio excellence with MSI's new Duo Wave Speaker in world-class Dynaudio sound system. The passive radiator technology generates a sonorous bass and clean, crisp sound. The front-firing design provides a punchier and more accurate sound, enjoy the ultimate auditory sensation.

*This specification may vary by model.

HIGH RESOLUTION AUDIO READY HEAR EVERY DETAIL

Experience sound the way it's meant to be heard. With the ability to support up to 24bit / 192kHz sampling, hear the audio as it was created.

*This specification may vary by model.

AUDIO 

ELEVATE YOUR AUDIO

Experience and listen to audio the way it was intended and share it with Nahimic in-game 3D surround & Sound Sharing via Bluetooth.

CONTROL 

MYSTIC LIGHT LIGHT IT UP WITH MYSTIC LIGHT

Showcase your ultimate RGB gaming theme with GE66 Raider. The new mystic light with panoramic aurora lighting design now expands across the entire front of the chassis. This grants granular control over lighting, creating virtually endless combinations in 16.8 million colors.

*Lighting effects are only for illustration. Actual effect may vary by software

TRUE GAMING

Gaming Keyboard by
steelseries
PER KEY RGB

PER-KEY RGB GAMING KEYBOARD SHINNING IS JUST THE NEW MUST

Through per-key illumination of the keyboard, you will receive real time game stat updates such as ammo levels and health levels. This keyboard is ergonomically-designed with 1.9mm of key travel for better responsive and tactile feedback, optimum WASD zone, anti-ghosting capability for up to 45 keys, mechanical-level shielding for solid feedback, and many more features gamers need to gain full control over their game.

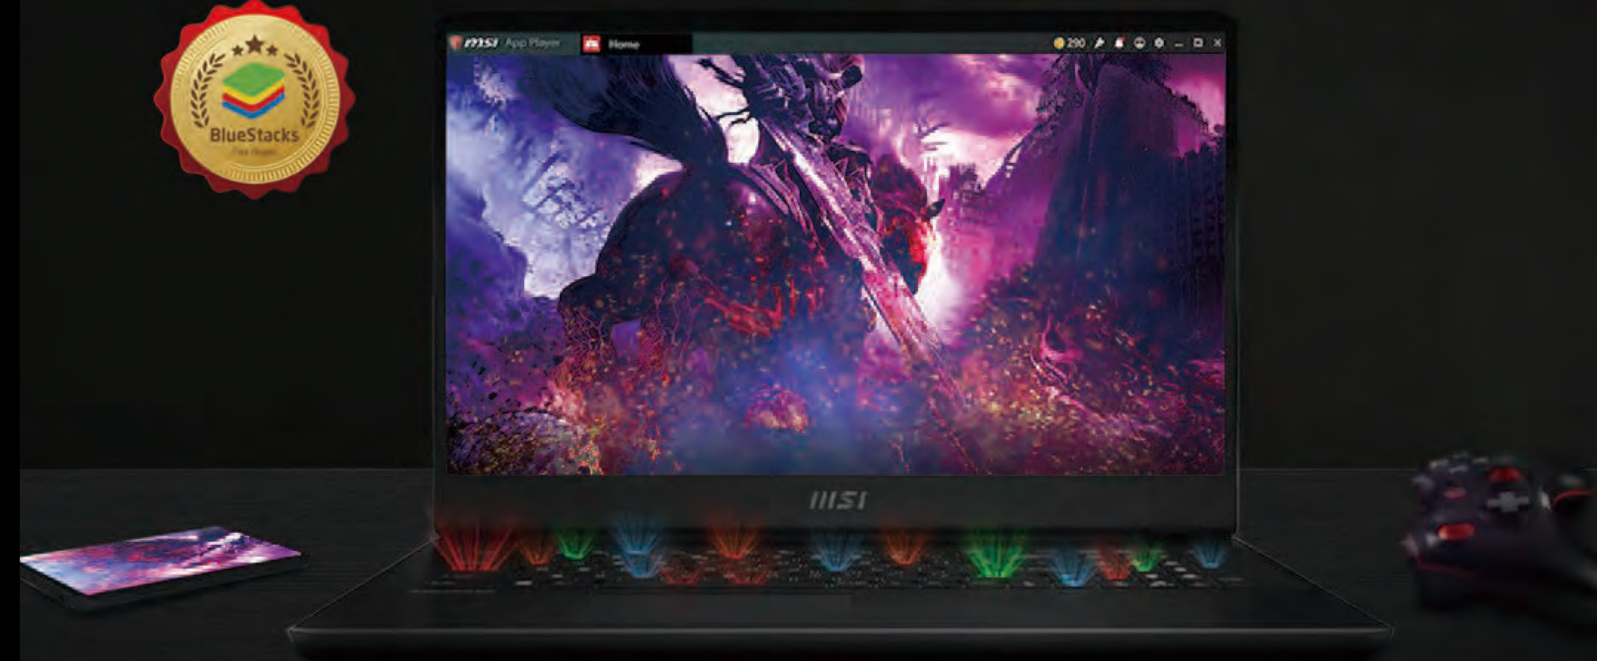

*SteelSeries Gaming Keyboard also available in multi-zone RGB lighting or single color lighting.

MSI APP PLAYER PLAY MOBILE GAMES AS CONSOLE WITH CONTROLLER

With the latest innovation - Console Mode, gamers can experience console-like to laptop with intuitive UI dedicatedly design for mainstream wireless controllers. It also offers hot key customization for hard core mobile gamer to enhance game win rate.

* Hotkey backlighting function only support the models with Per-Key RGB feature

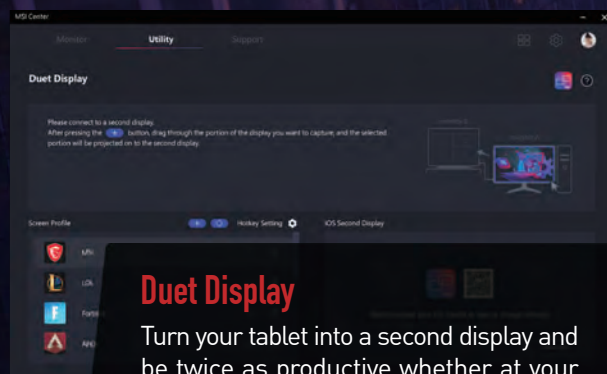

MSI CENTER GET ALL THE BUFFS FOR RAIDING

The exclusive MSI Center helps you control and customize your MSI laptop the way you want. Monitor, adjust, optimize and may useful features are built in one unified system. It gives users maximum flexibility in UI skin color and new functions such as Smart Image Finder, Duet Display and others are Allows AI to customize own personal preference.

CONTROL

TRUE GAMING

Duet Display

Turn your tablet into a second display and be twice as productive whether at your desk or outside.

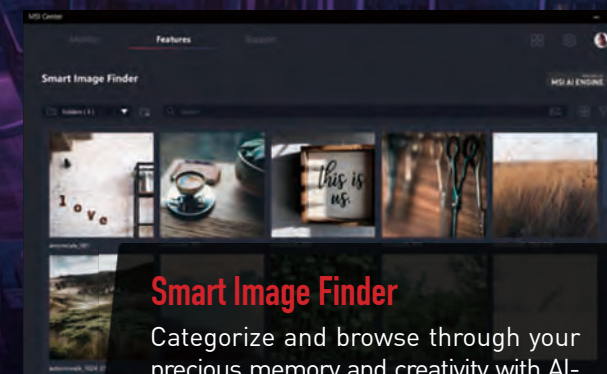

Game Highlights

Capture and record your best moments.

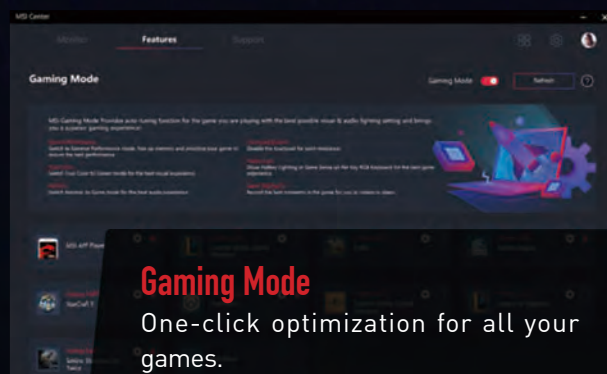

MSI Companion

Exclusive gaming on-screen-display interface supports you to adjust settings in-game and give a quick monitor as well.

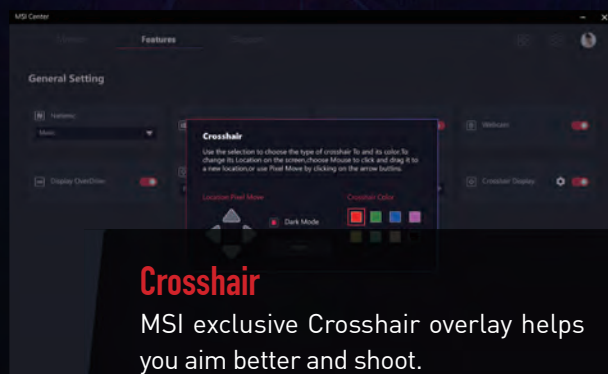

Smart Image Finder

Categorize and browse through your precious memory and creativity with AI-generated smart tags.

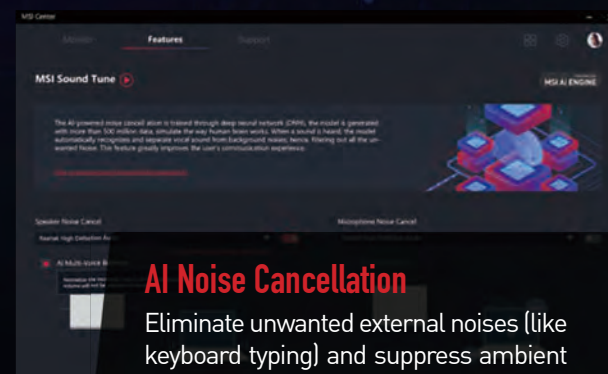

Gaming Mode

One-click optimization for all your games.

Crosshair

MSI exclusive Crosshair overlay helps you aim better and shoot.

AI Noise Cancellation

Eliminate unwanted external noises (like keyboard typing) and suppress ambient background environment.

Battery Master

Takes good care of your battery and extends battery cycle.

Tech meets Aesthetic

Leading-edge Power with 11th Gen Intel CPU

Powered by the latest Intel® 11th Gen H series processors and NVIDIA® GeForce RTX™ 3080 Laptop GPU.

The new award-winning laptops continue MSI's trend of producing top-tier, powerful machines with aesthetic touches that enhance user experience and unleash the inner gamer and creator spirits.

STORY OF TIAMAT, MOTHER OF ALL GODS

Around 15th Century BC, Babylon City was located between the Tigris and Euphrates. It is not only regarded as the cradle of human civilization, but also has countless myths and legends.

From the world-oldest epics in the world: "Enuma Elish".
Once upon a time, there's nothing but only two primordial gods, Tiamat and Apsu, existed in the world.

Tiamat represented the mother of ocean, and Apsu was the father of rivers.

After this, they gave birth to many gods. However, these young gods had fun and messed up all the day. The world is in chaos.....

As the mother of the gods, Tiamat could not allow these young gods to continue their misconduct.

She gave birth and led the eleven divine beasts, began to fight against the rebellious gods.

At the end, she turned into mountains and seas and created this world.

Marten Verhoeven

Digital Concept Sculptor and ZBrush World Champion

For the visual design concept of Pulse GL76 / GL66, MSI invited Belgian 3D artist Maarten Verhoeven to conceptualize his vision of future fighters with a product design that exhibits distinctive style.

He specializes in digital creations for movies, advertisements and toys. He has contributed to many major productions, such as The Avengers, The Hobbit, and The Walking Dead. He is exceptionally talented at transforming surreal concepts into lifelike works and is noted for his unique dark and apocalyptic styles

THE LEGEND OF THE DRAGON TRIBE

In every corner of the universe and every future scenario, the Clan of the Dragon marches through the galaxy, unstoppable and invincible.

They are the possessors of endless knowledge and power. They can withstand countless artillery fire and still prevail. As the legions of marching Dragon Warriors march on and spacecraft fly by, the soldiers stand out in their titanium powered-armor armed with Pulse Energy weapons.

The claw blades overflowing with electric current hum in the background as they traverse the galaxy...

THE DRAGON SCROLL

In the legend, the continent is scattered with tribes from different regions.
One of these regions is called "The Dragon Island".

The name comes from its breathtaking landscape, surrounded by cloud-ringed
mountains
and shrouded in heavy mist.

Thousands of years this region is home to the Dragon Clan.

The heir of dragon, they forged a legendary blade hidden and sealed in the Dragon
Island.

Here is an ancient map that reveals the legendary blade's location.

Find it and unleash its power!

Tsuyoshi Nagano

Tsuyoshi Nagano is a Japanese illustrator, famous for his cover artwork on "The Romance of the Three Kingdoms" video game series since 1980s. His detailed and realistic style influenced many other series such as "Dynasty Warriors". His character design and research builds the foundation on some of the most beloved game series of our time. Now collaborating with MSI, known for gaming products, we design a product that is high performance and visually distinct.

Content Creation Tech meets Aesthetic

MSI recommends Windows 10 Pro for business.

Spectacular Visual Experience

Visualization matters, especially for content creations. The exclusive True Pixel display delivers true-to-life images. Highlighting five significant features – 4K resolution, Delta E<2, True Color Technology and Verified by CalMan– tools necessary for creative work, design, photo and video editing.

* Display accuracy and Delta-E value may change over time as displays age due to normal wear and tear. Periodical color calibration is recommended for optimal color accuracy.

High Resolution >220 PPI

Wide Color Range

Per-unit Factory Calibration

Color Accuracy

Verified by industry leading color calibration solution provider.

World's First Creator Laptop with Mini LED Display

MSI Creator 17 is the world's 1st laptop to come with new revolutionary technology, the Mini LED display, which can provide top-notch, true-to-life color accuracy and visual entertainment experience for creative work, design, photo and video editing.

Zero Image Retention (Burn-in)

DisplayHDR 1000

Brightness >1000nits

Wide Color Range
100% DCI-P3

Ultimate compatibility

MSI workstations are ISV certified systems, officially recognized and certified by major ISVs in engineering, 3D modeling, designing and more. They're guaranteed to offer an absolute professional experience with no comparison in applications from Adobe, AutoDesk, Dassault and others.

Reliability Matters for Your Laptop

Ruggedness, reliability and durability are what a laptop should be. To provide the best in class laptops for all kinds of professionals, MSI laptops go through tremendous rigorous tests. Tailored for professional minds and exploratory spirit, MSI laptops support you as you pursue your passions.

Tech meets Aesthetic

Golden Ratio – The foundation of Aesthetic

The finest creations are often based upon precise calculation and design. Some of the most representative works come from the Renaissance, the era that's known for mathematic and geometrical beauty formed by the "Golden Ratio". Golden Ratio comes from Fibonacci sequence, which is formed by Pythagoras, one of the famous Ancient Greek Mathematician.

Each number in the Fibonacci sequence is the sum of the previous two numbers. And the ratio of any two adjacent numbers is close to 1.618, this perfect formula is considered the law of beauty and applied in our modern architecture and art creations.

Aesthetics in Design

Based on its people-centric design philosophy, the Creator Z16 combines rounded and fluid form with sleek edges, not only merging both postmodernism designs on its appearance of the product, the 16:10 display also echoes the Golden Ratio 1.618 - the perfect ratio considered as the law of beauty.

In a variety of light, the Lunar gray color on Creator Z16 changes like the phase of the moon, giving its subtle yet gorgeous details.

Business & Productivity Laptops

Summit, Prestige and Modern Series
Now with 11th Gen. Intel® Core™ i7 Processors

MSI Business & Productivity laptops bring both portability and power to accelerate your workflow. With a wide range of product selection, MSI offers reliable solutions ranging from business enterprise to individuals that seek to work more efficiently.

Free from Limitations

The SUMMIT series features the latest 11th Gen. Intel® Core™ i7 processor & Intel® Iris® X^e graphics, delivering heavyweight performance and lightweight portability, which will keep you in the flow, wherever you go. The 4-core processor enhances productivity and speeds up your workflow, enabling on-the-go business to blitz through demanding tasks faster than ever before.

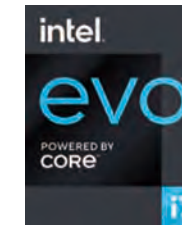

Up to **1.5x** Faster than previous gen*

Up to **4.8GHz** Dual Core Turbo

Up to **4.5x** Faster than previous gen UHD Graphics

MSI recommends Windows 10 Pro for business.

The All New Intel® Evo™ Platform

Exceptional Experience, Anywhere. Intel® Evo™ platform brings the perfect combination of performance, responsiveness, battery life and stunning visuals to a new class of sleek, stylish laptops.

MSI recommends Windows 10 Pro for business.

PCI-E Gen 4 Storage support

PCIe 4.0 efficiently boost the daily work and even has better signal reliability and integrity for improved performance.

Connect & Charge

Paired with multiple Thunderbolt ports, the Prestige Series supports power delivery through its ports so you can quick charge your devices, transfer data at 40Gbps and connect to multiple displays and peripherals. In addition, Prestige Series equips with the latest UHS-III high-speed card reader offers fast data transfer.
