

THE ALL NEW MSI GEFORCE RTX™ 30 SERIES GAMING LAPTOPS
THE ULTIMATE SHOCKWAVE

ABOUT MSI

MSI is a world leader in gaming, content creation and AIoT solutions. Bolstered by its cutting-edge R&D capabilities and customer-driven innovation, MSI has a wide-ranging global presence spanning over 120 countries. Its comprehensive lineup of laptops, graphics cards, monitors, motherboards, desktops, peripherals, servers, IPCs, robotic appliances, and vehicle infotainment and telematics systems are globally acclaimed. Committed to advancing user experiences through the finest product quality, intuitive user interface and design aesthetics, MSI is a leading brand that shapes the future of technology.

MASTERPIECE IN PROCESS

MSI has devoted countless resources into research and development not only to pursue innovative features, but also to ensure ultimate stability. Over 1900 strict tests are run throughout the production process as a way to provide gamers the best gaming experience.

No.1 Shipments

In Gaming Laptop Market by Digitimes

Most Reliable

Laptop Brand by UFC-Que Choisir

NO.1 IN GAMING

"Micro-Star International (MSI) shipped a total of 1.2 million gaming notebooks in 2018, fending off the competitions from Asustek Computer with devices from its gaming sub-brands to become the largest supplier in the gaming notebook market in terms of shipments and profitability." - **DIGITIMES**

Survey by UFC-Que Choisir across 43,000 people in Europe reveals MSI as the most reliable PC brand.

[*https://www.macg.co/materiel/2019/03/ufc-que-choisir-un-indice-de-fiabilite-pas-tendre-pour-apple-105660](https://www.macg.co/materiel/2019/03/ufc-que-choisir-un-indice-de-fiabilite-pas-tendre-pour-apple-105660)

"MSI laptops offer some of the best displays in the business. The company also delivers top audio quality, and scored very well in our reviews category. If you're into gaming, this is one brand to watch." - **LAPTOP Magazine**

TOP PLAYER. TOP CHOICE.

Since 2008, MSI has started partnering up with professional eSports teams. MSI partnerships have extended across 15 professional eSports teams around the globe. Every gaming product is tailored for the ultimate gaming experience and has become the top choice among top players in some of the most popular gaming competitions.

EXTENSION OF INSPIRATION BEST FOR DESIGNERS

MSI has devoted to designer community, collaborating with animators, film makers, visual artists, photographers, and much more. With joint effort aiming to aid and inspire each other, MSI continues to be the beloved brand for designers worldwide.

MSI
CREATOR
AWARDS

MSI Creator Awards, an online design contest, is to explore and recognize the talents in the industry. All contestants could let their imagination run wild and showcase their unlimited creativity and evaluated in relevance, skill, creativity and originality categories by experts from the corresponding area. With the current situation of the world, we have change the scope and direction of our Creator Awards event. We encourage people to stay at home and be productive, by providing the creator communities with a platform that inspire their creativity.

RTX. IT'S ON.

Experience today's biggest blockbusters like never before with the visual fidelity of real-time ray tracing and the ultimate performance of AI-powered DLSS. RTX. It's On.

GEFORCE RTX 30 SERIES LAPTOPS THE ULTIMATE PLAY

GeForce RTX™ 30 Series powers the world's fastest laptops for gamers and creators. They're built with the award-winning Ampere — NVIDIA's 2nd gen RTX architecture - with new RT Cores, Tensor Cores, and streaming multiprocessors for the most realistic ray-traced graphics and cutting-edge AI features.

DLSS AI ACCELERATION POWERED BY AI.

NVIDIA DLSS is groundbreaking AI rendering that boosts frame rates with uncompromised image quality using the dedicated AI processing Tensor Cores on GeForce RTX.

8 Cores

Up to **5.3** GHz
Single core Turbo

Up to **50%**
Performance boost

OUTPLAY THE COMPETITION

Experience a 50% boost in computing from gen-to-gen. MSI Laptop equips the 10th Gen. Intel® Core™ i9 processor (Comet Lake H) with the upmost computing power to bring you an unparalleled gaming experience. Higher single core frequency is better for gaming experience.

*Performance compared to i7-9750H. Specs varies by model.

KEY FACTORS FOR BOOSTING FPS

HIGH CPU FREQUENCY

Pairing higher frequency processor with RTX, majority of game titles benefits from 5.0 GHz CPU over more cores. CPU with higher clock speed leads to high frame-per-second (FPS).

Scaling is highly correlates with Frequency

Game Scaling vs. Frequency

Lack of major scaling beyond 6 cores in majority of games tested

Game Scaling vs. Core Count

RESIZABLE BAR TECHNOLOGY

Resizable BAR, the technology that allows CPU to fully access GPU memory (VRAM), greatly accelerating both their performance. With collaboration between MSI, Intel, and NVIDIA, MSI RTX 30 series gaming laptops will be the first to fully enable Resizable BAR technology and boost the performance.

Traditional Design

CPU only access very limited GPU memory

Resizable BAR technology

CPU gets FULL access to GPU Memory

HIGHER BANDWIDTH

Uncompromised GPU bandwidth to release full graphic potential and Intel platform could provide sufficient bandwidth like Gen 3.0 x16 for NVIDIA GPU.

PERFORMANCE 

PERFORMANCE 

EXCLUSIVE COOLER BOOST TECHNOLOGY STAY COOL, STAY POWERFUL

To have extreme performance, an efficient cooling system is required to exhaust the heat. MSI's exclusive Cooler Boost Technology ensures optimal thermal dissipation. With the world's thinnest 0.1 mm sharp-edged fan blade design, MSI enhances the fan airflow and provides the best gaming experience.

ARMED WITH POWER THAT LASTS

Packed to the legal flight limit, the 99.9Whr large battery capacity provides longer runtime and sustained power in unplugged circumstances.

300Hz

**300Hz ULTRA-HIGH REFRESH RATE
BLAZE THROUGH THE GAME**

Get 5x the refresh rate over conventional laptop displays with the most vibrant and contrast visuals.

*Optional. Actual specification may vary by configurations.

**TRUE COLOR
TECHNOLOGY**

**TRUE COLOR 3.0
THE NEXT-TO-PERFECT COLOR PRESENTATION**

MSI True Color Technology sets a new standard in developing a level of accuracy for display technology. Each display undergoes thorough examinations and extensive factory-calibration process, guaranteeing exceptional color fidelity of close to 100% sRGB.

Color Visible Range
100% sRGB

Color Accuracy Enhancement

**Auto Cloud Sync Color
Management ICC Profile**

Higher Compatibility for Games

Color Accuracy Calibration

Anti-Blue Mode Night Shift

msi

UNSURPASSED CLARITY

Compared with Full HD, it has four times the number of pixels, and reach the standard of 100% AdobeRGB range (typical). Enjoy the 4K gaming experience with abundant color gamut and more vivid colors and details!

STREAMING WITH NO INTERFERENCE

The latest Intel Wi-Fi 6E delivers stunning speed while keeps the network smooth and stable, taking advantage of dedicated 6GHz band with no interference.

STREAMING ⇄

STREAMING ⇄

KILLER™ GAMING LAN

Stop losing games to lag with Killer Gaming LAN. Protect and prioritize networking traffic while preventing lag spikes to always game at your best. Gamers can easily manage bandwidth for each application with the user-friendly Killer Control Center.

FHD CAMERA

MSI leads the market to provide the most crystal clear and sharp 1080p web camera.

Now there is no need to connect an external webcam, just boldly stream your gameplay with the build-in one.

Sound by
DYNAUDIO

TUNED TO PERFECTION EXPERIENCE THE SUPERIOR SOUND WITH DUO WAVE SPEAKER

AUDIO

Feel the power of sound and experience a whole new level of audio excellence with MSI's new Duo Wave Speaker in world-class Dynaudio sound system. The passive radiator technology generates a sonorous bass and clean, crisp sound. The front-firing design provides a punchier and more accurate sound, enjoy the ultimate auditory sensation.

*This specification may vary by model.

HIGH RESOLUTION AUDIO READY HEAR EVERY DETAIL

Experience sound the way it's meant to be heard. With the ability to support up to 24bit / 192kHz sampling, hear the audio as it was created.

*This specification may vary by model.

AUDIO

ALL NEW NAHIMIC 3 FOR NEXT LEVEL AUDIO IMMERSION

Get ready to be amazed by the all new Nahimic 3. With simple and intuitive new UI, the Nahimic 3 not only enhances in-game 3D surround sound, but it also offers even more finite control over your music, movies, and conference calls.

TRUE GAMING

MYSTIC LIGHT LIGHT IT UP WITH MYSTIC LIGHT

CONTROL

CONTROL

Showcase your ultimate RGB gaming theme with GE66 Raider. The new mystic light with panoramic aurora lighting design now expands across the entire front of the chassis. This grants granular control over lighting, creating virtually endless combinations in 16.8 million colors.

*Lighting effects are only for illustration. Actual effect may vary by software

Gaming Keyboard by
steelseries
PER KEY RGB

PER-KEY RGB GAMING KEYBOARD SHINNING IS JUST THE NEW MUST

Through per-key illumination of the keyboard, you will receive real time game stat updates such as ammo levels and health levels. This keyboard is ergonomically-designed with 1.9mm of key travel for better responsive and tactile feedback, optimum WASD zone, anti-ghosting capability for up to 45 keys, mechanical-level shielding for solid feedback, and many more features gamers need to gain full control over their game.

*SteelSeries Gaming Keyboard also available in multi-zone RGB lighting or single color lighting.

TRUE GAMING

CONTROL 

MSI DRAGON CENTER FREE BUFF FOR YOUR RIG

MSI Dragon Center takes optimization to the next level with the new sleek UI. Not only does it monitor system performances but it also optimizes it through various customizable profiles.

Gaming Mode

One-click does it all, optimize all your gaming needs

Game Highlights

Capture and record your best moments

MSI Companion

Exclusive gaming on-screen-display interface lets you adjust settings in-game and provides quick monitor tracking as well

Crosshair

MSI exclusive Crosshair overlay helps you aim and shoot better on FPS gaming titles

Battery Master

Manages battery health to extend the lifecycle of your battery

Mystic Light – Voice Command

Adjust your keyboard lighting easily without having a click, just by saying "Hey Lucky" and ask for the help.

CONTROL 

MSI APP PLAYER SEAMLESS GAMING BETWEEN MOBILE AND PC

Developed under an exclusive partnership with BlueStacks, the MSI APP Player brings seamless gaming experience between mobile games and PC platform, and leverages customized features as specific keyboard lighting and better graphics with multi-task works.

TRUE GAMING

* Hotkey backlighting function only support the models with Per-Key RGB feature

THE ULTIMATE SHOCKWAVE

THE ALL NEW MSI GEFORCE RTX™ 30 SERIES GAMING LAPTOPS

Just like a shockwave,
the new generation of RTX 30 series laptops will
bring massive impact to the gaming industry.

Under the leadership of mother of all gods – Tiamat,
it will generate superior shockwave.

Opening more possibilities to gamers
and even game developers.

STORY OF TIAMAT, MOTHER OF ALL GODS

Around 15th Century BC, Babylon City was located between the Tigris and Euphrates. It is not only regarded as the cradle of human civilization, but also has countless myths and legends.

From the world-oldest epics in the world: "Enuma Elish".
Once upon a time, there's nothing but only two primordial gods, Tiamat and Apsu, existed in the world.

Tiamat represented the mother of ocean, and Apsu was the father of rivers.

After this, they gave birth to many gods. However, these young gods had fun and messed up all the day. The world is in chaos.....

As the mother of the gods, Tiamat could not allow these young gods to continue their misconduct.

She gave birth and led the eleven divine beasts, began to fight against the rebellious gods.

At the end, she turned into mountains and seas and created this world.

Business & Productivity Laptops

Summit, Prestige and Modern Series
Now with 11th Gen. Intel® Core™ i7 Processors

MSI Business & Productivity laptops bring both portability and power to accelerate your workflow. With a wide range of product selection, MSI offers reliable solutions ranging from business enterprise to individuals that seek to work more efficiently.

Free from Limitations

The SUMMIT series features the latest 11th Gen. Intel® Core™ i7 processor & Intel® Iris® X^e graphics, delivering heavyweight performance and lightweight portability, which will keep you in the flow, wherever you go. The 4-core processor enhances productivity and speeds up your workflow, enabling on-the-go business to blitz through demanding tasks faster than ever before.

Up to **1.5x** Faster than previous gen*

Up to **4.8GHz** Dual Core Turbo

Up to **4.5x** Faster than previous gen UHD Graphics

MSI recommends Windows 10 Pro for business.

The All New Intel® Evo™ Platform

Exceptional Experience, Anywhere. Intel® Evo™ platform brings the perfect combination of performance, responsiveness, battery life and stunning visuals to a new class of sleek, stylish laptops.

MSI recommends Windows 10 Pro for business.

**PCI-E Gen.4
SSD**

PCI-E Gen 4 Storage support

PCIe 4.0 efficiently boost the daily work and even has better signal reliability and integrity for improved performance.

Business & Productivity

Thunderbolt™ 4

Thunderbolt™ 4 Ultimate Connectivity

Paired with Thunderbolt 4 port, the SUMMIT series can transfer data at up to 40Gbps with USB 4.0 type-C and connect to multiple displays and peripherals. The UHS-III micro SD card reader offers ultra high speed data transfers.

USB4 / TBT 4x

USB3.2 Gen 2x2 2x

USB3.2 Gen 2x1

4x Time-Saving

2x Faster Data Loading

PCIe Gen 4x4 **7.88 GB/s**

PCIe Gen 3x4 **3.94 GB/s**

* The performance improvement is based on preliminary estimation, actual data transfer speed will vary by SSD devices.

MSI recommends Windows 10 Pro for business.

TPM 2.0 Enterprise-Grade Security

Trusted Platform Module (TPM) technology is designed to provide hardware-based, security-related functions. You can store data & password by encryption keys for advanced security.

Business & Productivity

😊 Windows Hello Modern Experience

With Windows Hello, you can sign-in with your face or fingerprint for an easy and secure access. Enjoy password-free experience on supported web service with the latest FIDO 2 authentication.

Content Creation

Create Your Moments

Spectacular Visual Experience

Visualization matters, especially for content creations. The exclusive True Pixel display delivers true-to-life images. Highlighting five significant features – 4K resolution, AdobeRGB 100% color gamut, Delta E<2, True Color Technology and Verified by CalMan– tools necessary for creative work, design, photo and video editing.

* Display accuracy and Delta-E value may change over time as displays age due to normal wear and tear. Periodical color calibration is recommended for optimal color accuracy.

High Resolution >220 PPI

Wide Color Range

Per-unit Factory Calibration

Color Accuracy

Verified by industry leading color calibration solution provider.

World's First Creator Laptop with Mini LED Display

MSI Creator 17 is the world's 1st laptop to come with new revolutionary technology, the Mini LED display, which can provide top-notch, true-to-life color accuracy and visual entertainment experience for creative work, design, photo and video editing.

Zero Image Retention (Burn-in)

DisplayHDR 1000

Brightness >1000nits

Wide Color Range 100% DCI-P3

Ultimate compatibility

MSI workstations are ISV certified systems, officially recognized and certified by major ISVs in engineering, 3D modeling, designing and more. They're guaranteed to offer an absolute professional experience with no comparison in applications from Adobe, AutoDesk, Dassault and others.

Reliability Matters for Your Laptop

Ruggedness, reliability and durability are what a laptop should be. To provide the best in class laptops for all kinds of professionals, MSI laptops go through tremendous rigorous tests. Tailored for professional minds and exploratory spirit, MSI laptops support you as you pursue your passions.
